

A photograph of a technician wearing a grey cap and a dark t-shirt, sitting at a desk in a control room. The technician is holding a mobile phone to their ear with their right hand. The desk is cluttered with a computer monitor displaying a software interface, a keyboard, a mouse, a telephone, and several sticky notes. A silver thermos is also visible on the desk. The background shows a white brick wall and a dark bag hanging on a shelf.

24/7 TECHNICAL SUPPORT BY PHONE AND EMAIL

IPS technicians are available anytime to assist mechanics and operators in the field via phone or internet.

They can help in trouble shooting, identifying repair parts needed and offering technical advice.

They can also e-mail schematics and other diagrams to aid the successful repair of your crane.
